## Rocky Mountain Rod & Custom Car Show

The club had a Great display. There was a lot of club people helping out with the information table. The Novas in the show were: JT's '63, Ricks '65, Jim Vancoevern's '66, Dan's '70, ( a new addition to Dan's Family. Dan traded his '66 in for this '70 SS) and Toms '73. The only two being Judged was JT's '63 and Toms '73. It was a long week some of us spent a lot of hrs at the show. But it was nice and we got to meet new people and visit with old friends.

JT and Tom both took the Gold Awards in their class, which is second place. CONGRATULATIONS!!!!

All the Novas looked great. The display was set up by Nova years. JT being the oldest nova and Tom's being the newest.. Move out was good as they let you leave your cars one more day if you needed too so there were not as many people leaving at once.

### Breakfast for Nov.

It was chilly, some said frosty, but the skies were clear and the sun was so bright as

people drove to Gunther Toody's in Arvada. As people arrived and gathered in the parking lot it was

Feeling warmer. There was much conversation in the parking lot and it spilled over into Gunther Toody's

As we were promptly seated. All Toll we had 38 people including children and we not only filled up several tables But several booths as well. It just felt good with the conversation and the orders were quickly taken

And there was little wait for the food. Kathy buzzed around taking pictures as an album of pictures from The Moonlight Cafe break-

fast outing was passed around. Later Jim Runkle was selling candy for his Grand-kids. Dick Matthies group took up the end round booth, with Dick , wife Jullie, daughters Stephanie, Brittany, John and little Addison and Xavier. Xavier in his little basket was having visions of sugar plums after enjoying a liquid breakfast burrito. Kathy and Tim Redmond had Ayden with them. And as I stood above him, he turned his head from side to side, looking up probably wondering who is that fuzzy face. After breakfast and paying for it, we drifted back out to the parking lot and continued conversation for awhile. It was mentioned that we should do this every two weeks, I'm sure we'll talk about this. People slowly left and drifted off to do other things.

There were 7 Novas: Kathys 63, Ron Van Nattans 63, Jt's and Esters 63, Rick Ellingers 65, Dan and MaryAnn Paces 66, Kelly Hortons 66, Bob and Nancy Barons 66, Jim and Pats 88 Cadillac
