George Town Parade and Show
July 4th, 2008
 Contact Kathy at 303/548-8058

Hi everyone. I know I sent out email a couple of months ago about this. Whoever is interested in going to Georgetown for the 4th of July parade. If you are interested, please let me know. For those who live on the North side of I-70, we will be meeting at the Perkins at I-70 & Kipling for breakfast at 8am. For those who live on the south/east side, we will be meeting at Rosie's Diner at 7am & meeting up with the others at the Perkins. We will make a quick stop at the park & ride at Morrison Rd. & I-70 to pick up Jim & Debbie. We need to be in Georgetown by 10-10:15am to get the cars decorated & lined up for the parade. If you plan on going, please make sure you bring LOTS of candy, we all ran out last year before we even got to Main St. We had a great time there, and I was told this year there is going to be awards given out at 2:30pm. You don't have to stay for the day, you can go right after the parade if you would like. There is a BBQ in the town park plus eating places in town, or bring your own picnic lunch to enjoy in the park. There is a playground for the kids as well. There will also be the fireman's bucket brigade again, which was fun watching last year. If you don't have anything else to do, you can stay for the fireworks display when it gets dark or go fishing if you feel the need, so bring your fishing gear & license.

Please let me know if you plan on attending so I can notify Georgetown how many of us to expect. And please pass this on to anyone else that I don't have their email address.

Thank you and see you on the 4th. Contact Kathy at 303/548-8058 Or NovaKat2@comcast.net

Next Club Meeting - July 23rd, GO Chevrolet, 1-Block North of Hwy-36 & Broadway Exit - 7:30pm.

Havana Cruise

Dear Diary,

Today is Saturday June 21, 2008, and it's the 1st Havana Cruise. Sounds like this could be a lot of fun. It's put on by the OCC (Old Car Council) and have several places to stop and park along the route besides the 1st & Havana location, there is Gibby's, Stampede, Wells Fargo bldg., & Stevinson Toyota. The route is from 1st & Havana to Darthmouth & Havana. Each stop has something going on and music at all. There is also going to be a poker run. How much fun can we have?

I meet up with friends at the 1st & Havana location. Once everyone was there, which is a very large parking lot. At first there were only about 8 cars there, but it was early since I manage to also get someplace early. At the appointed time, one by one my friends cruised in. As we checked things out there, we also were looking for a cooler, shady spot to hang out at. There was 1 small tree which about 10 of us tried to gather under to stay out of the sun, which worked for awhile, then we decided to go crusin'.

Someone had called Stevinson Toyota, the person they talked to said to come on down, that is where everything was happening. Live music, free food lots of fun. So, off we went. When the 5 of us drove onto the lot, pulled into where the free hot dogs were. We were chased out, told this was not for hot rods, only the Scion! Ok ok, we can take a hint. Since Stevinson was one of the big sponsors for the Havana Cruise, we were trying to figure how that worked, but maybe we're not supposed to know. Back crusin' Havana.

We settled at The Stampede, in the parking lot there was a few trees and grass, so we staked out our patch of shade. There were lots of OCC volunteers, a few Aurora police cars on display and a few other booths. We walked around, checked out all the cool cars then got all our free things, then went back to our shaded spot. There weren't many cars here yet, but it was still early. Crusin' was from 3-9 so it's still early.

There was music going on, live singers and it was pretty good. I do have to say, I expected more 50's-60's music, but it was a good time just the same and they were very good. Races cars all over the place, a demo from body builders, they have everything out for the cruise.

Crusin' up and down Havana Street was a fun thing to do. There were several places to stop, park and visit with friends and check out other cars.

I do have to say today I have seen cars that I've never seen before. It was nice to see different people & cars.

We stopped at Johnny's diner for dinner, sat outside and watched the cars crusin' Havana. Then some of the group I was with took off on the poker run. The rest of us went back to the Stampede, found a few parking spots, put out our chairs and just visited.

Around 8pm, it was starting to wind down, so we jumped in our cars again and went crusin'. We drove back to the 1st & Havana parking area, lots of great music & giveaways were going on. Since I never heard my name or number called and no one called me after the show, I'm guessing I never won a prize.

I'm hoping this will be an annual event, it was fun and the weather was perfect for crusin'. Maybe next year, you may want to show up. There were lots of clubs together, lots of Nova's but only a few from our club.

Till next time,

Kathy

Colorado National Speedway

James Taylor (JT) - As mentioned in the Club Meeting, JT has worked out with Wendy (CNS) to have an "RMNC Show/Display" on **Aug. 2nd**

We will show our Cars at the front gate entrance to CNS, then all of us would drive our Nova's on the track during one of the Intermission's (Promoting the Rocky Mountain Nova Club). Each Driver is **FREE** to get in for the night, passengers would pay 1/2 price (\$5.00). We will need to get there by 3:00-3:30pm to park/setup the Cars, then go on in inside and save seats for ourselves in the Grandstands.

We can bring in any type of food/munchies, a soft sided (collapsible) cooler with drinks in plastic bottles (no glass or cans). Probably bring stadium seats or a blanket to sit on and also save our seats. Still need a total count as to how many RMNC Cars will be attending this event?

The question: How many RMNC Cars will we have? We need to get back with Wendy very soon with a count. Thank you!

Please let me know as soon as you can, and I will send out another email letting everyone know

more details on this exciting event that the RMNC will be Displaying & Driving their Cars on the Track at Colorado National Speedway promoting the Club! Thanks, Dan

Car Show Committee Meeting July 13th

This meeting will take place at Perkins (2 blocks west of I 25 on 120th) at 2:00 pm on July 13th.

This is a post 2008 meeting. We need to discuss what needs to be improved for next year.

It is "**Important**" that if you have any suggestions or input into next years Car Show, that you be at this

meeting. If not, you will be updated at our next Monthly Club Meeting as to the decisions that were made for the 2009 Car Show. **NOTE:** If you want to come, but for some reason can not make the meeting, **please email or phone** your suggestions/concerns into Tom Koehler so he can bring your idea(s) up at the meeting.

Toms Email-

Nova73SSTK@aol.com
303-252-0766

Please let Tom know if you are coming to this meeting, he needs to let Perkins know how many people. Thanks.

Our Club Meetings

The 4th Wed. of each month at **Go Chevrolet** I 25 and the Boulder Turnpike in the Chevrolet building on the 2nd Floor starting at 7:30 pm sharp.

We are dedicated to the preservation, restoration, rodding, and history of the 62-79 Chevy II and Nova

We are an association of owners and enthusiasts of '62 - '79 **Chevy II's and Novas**.

The RMNC holds a one day car show, for everyone, not just novas, every year, usually the first Sunday in May, and has put this show on for more than ten years now.

The **Rocky Mountain Nova Club** has established a fellowship of Nova enthusiasts in the Rocky Mountain area. Our club is made up of Original, Restored, Customs, Modified, Daily Drivers, Race, and Nova's in process. Ownership of a Chevy II or Nova is not a requirement to belong in the club.

WE have our own **Rocky Mountain Chapter Newsletter** which we distribute monthly to our members. Our newsletter informs our members of upcoming local area and major car shows and cruises that are scheduled, also nova parts that our members wish to buy or sell, as well as upcoming activities that we have scheduled for our club.

Our club does several fun outings during the year, we try to take mini **Nova Cruises**, as well as one 4-5 day trip per year, and when possible, we take our Novas.
