The stuffing took place on Sunday April 26th. Everything went pretty good and all Goodie bags got stuffed. John got pictures of the plaques for the thank you cards.

I thank everyone who helped Betty Ann with this.

RMNC Breakfast Outing April 5- 09

It was cold but very sunny. The big snowstorm did not show and just remnants of the blowing snow was around. The weatherman advised to watch for black ice and I took it leisurely and saw many areas that were just turning from ice to water on the roads to the Moonlight diner at 6250 N Tower Rd. The cold did not keep 35 members and family from showing up. Rick and Jan had their pumpkin colored 1973 Nova, Kathy had her 1963 Nova SS, and Jeff and Cody Morrison had their 1978 Nova.. Although we didn't have one big table, people were wandering from table to booth etc. Glad to see Jeff, Cody, Tyler Morrison there and who is that really tan guy. Why its Jim Runkle back from Arizona with Pat. Steve Oge showed for breakfast. For Those that don't go back that far, Steve used to be member long time ago. He is working on a

Nova and maybe he'll join again. But he is welcomed anyway. After breakfast we drifted to the parking lot and some talked and others left right away.

Those in Attendance: David and Sharon Bills, Sheldon Brunn, Kelly, Shawna, Rebecca, Keith Horton. Nancy and Bob Baron and their Daughter Michelle and her Daughter Zoe. Lisa and Mike Doran. Dave and Marilyn Kellner. Rick and Jan Ellinger. Jeff, Cody, Tyler Morrison. Tom and Betty Ann and Mckayla and Mckenzie, Dan And MaryAnn Pace. Kathy and Jerry who owns Rosies. Ron Van Nattan. Jim and Pat Runkle. JT and Esther Taylor, Steve Oge, & Stuck

Great Machine Event 2009

It was a cold gloomy morning. We had 80 cars pre registered but they weren't arriving too fast. The club members were busy trying to set up pop ups and tables for Reg., Pre. Reg., Toys for tots, Kids coloring contest. and door prize tent.

Scott worked to get the sound system going. The Sun broke out about 9:30 or so and the people started coming in. The vendors were busy working to get set up. Once the sun came out it was turning in to a great day. I didn't count all of the club cars but it was the best display of club cars that we have had in a long time. The judges started about 10:30. All judging went great. Judging sheets were added up and every-

thing was on track. The door prizes were going well and the kids were having fun with the Coloring Contest. We had a few people participating in the Best Dressed "Era" Contest. We had 10 Vendors, 3 Food, and the rest T-Shirts, Die cast and candles. I talked with the Vendors and all were doing well. This year we had a few different awards, and three old type fun awards. Awards started on time, everything going real well. Being we are a judged show we had a couple problems with cars in the wrong class. It was a great day. The club cleaned up the park and all left for home..

Our Meetings

The 4th Wed. of each month at **Go Chevrolet** I 25 and the Boulder Turnpike in the Chevrolet building on the 2nd Floor starting at 7:00 pm sharp.

We are dedicated to the preservation, restoration, rodding, and history of the 62-79 Chevy II and Nova

We are an association of owners and enthusiasts of '62 - '79 Chevy II's and Novas. .

The **Rocky Mountain Nova Club** has established a fellowship of Nova enthusiasts in the Rocky Mountain area. Our club is made up of Original, Restored, Customs, Modified, Daily Drivers, Race, and Novas in process. Ownership of a Chevy II or Nova is not a requirement to belong in the club.

WE have our own **Rocky Mountain Chapter Newsletter** which we distribute monthly to our members. Our newsletter informs our members of upcoming local area and major car shows and cruises that are scheduled, also nova parts that our members wish to buy or sell, as well as upcoming activities that we have scheduled for our club.

Our club does several fun outings during the year. We try to take mini **Nova Cruises**, as well as one 4-5 day trip per year, and when possible, we take our Novas.

The **RMNC** holds a one-day Car Show for everyone, not just Nova's, every year, usually the first Sunday in May, and has put this show on for the past 14 years. [The Great Machine Event](#)
