That must have looked spectacular to those passing all those fine

looking NOVAS .

Breakfast Cruise 9-26-2009

Author Stuck

It was decided to do a Breakfast Cruise to the Pegasus Restaurant in Castle Rock and go to the Castle Rock museum and see the Continental Divide Raceways exhibit. on Saturday the 26th of September.

We met at Red and Jerrys on south Sante Fe drive. There were eight Novas and four other vehicles.

The Novas were

- The Hortons 1966 Nova
- Kathys 1962 Nova SS
- Jim Van CoVerns 1966 Nova SS
- Jim and Pat Runkles 1966 Nova SS
- Dave and Marilyn Kellners 1975 Nova Ln
- JT and Esthers 1963 Nova
- Rick and Jan Ellingers 1965 Nova SS
- Wayne Gills 1966 Nova

I was at the end of the line as we cruised down Hwy 85 , the line of Novas stretched

more than a quarter of a mile in front of me. That must have looked spectacular to those passing all those fine looking NOVAS .The bad weather of this whole week had cleared out and we had clear blue skies and mild temperatures . With such a long line it was hard not to get separated , but we managed very well and got to the restaurant. There we met up

with David and Sharon Bills and Their 1970 Nova , and Cliff and Lynda Julian from Co. Springs and their 1978 Nova. Rick and Sandy McDonald joined us. They traveled from Pueblo West and dropped some friends at the Colorado Springs Airport before Joining us at the restaurant. Breakfast was great and afterward we went back out in the parking lot and found out that the museum was just down the street and around the corner. Some walked others drove their car. The Museum was a small restored Train Depot that was moved to its current location. The CDR exhibit was in one small corner of the museum and was from someone's collection. Although I enjoyed it I had expected a much

larger display with a lot more photos of the Cars that participated at the track.

The day was still young and the members dispersed to do other things. Kathy , Ron Van Nattan, Jim and Pat Runkle, and Stuck wound up at the Rosies Car show. It was still midafternoon when I left. Rosies to my house is still 60 miles.

2010 "Street Fever" Calendars

The past few years Dan has purchased Calendars with The Great Machine Car Show advertisement on them. The club body voted to have Dan get these again this year. We past them out at the Rod and Custom Show in Nov. and we give them to our Sponsors and Club Members. This year we will have only Muscle cars on the calendars.

Cruise Above the Clouds

Sept 12-13, 2009

This has always been a great show. The Runkles, Kathy , Tim Redmond attended this year. **Pat and Jim Runkle took #1 Chevy Award. Congratulations!!!**

Wild West Auto Fest

Sept. 19, 2009

This is also a good show. The city of Littleton puts on the fair part. There is on the average of 500 to 600 cars in this show, with many different classes. **JT took an Original 60's award and David Bills received an Award for the class his Suburban was in. Congratulations Folks!**

Rocky Mountain Rod & Custom Car Show

NOV. 27TH - 29TH

Were trying to get a different selection of Nova's this year, for members who were not able to display last year. This is a great show, Dan has set up a display for the past 2 years. As you can see from the dates it is a 3 day inside show and yes it is a long week end but it is a lot of fun.

Dan will need people to help with the display for the 3 days. Dan can try and get you in with out a cost if you are just interested in **helping out** at the Table

Set Up, handing out RMNC pamphlets, Nova Club information, and **not** displaying a Car, please let Dan know this as well, we can use some help down at this 3-Day Event.

“Great Machine” Car Show

No date was set for the next Committee Meeting

A date will be set as soon as we get the art work back for approval

Things of concern from the last two meetings are

#1 DJ This year we will hire a out side DJ.

#2 Communications between workers

#3 Problems at the gate

#4 Having motorcycles at our Car Show was discussed and rejected for the next show

#5 All decisions made for the Car Show at the committing meeting are final

#6 T-shirts will be of better quality and should not have as much shrinkage as this year

All concerns will be addressed at the next meeting, If you like to have an input you are invited to attend.

Dan has delivered the CD with the 2009 best of show winners on it to Direct Impressions Steve the artist apologized for the problems with this year's pictures . We hope to have the art work by the first of Nov.

We still need to have **one Major Sponsor and (6) Minor sponsors to put on the back of the T-Shirts.** We didn't have but two last year but it did help the bottom line to be in the Black instead of the Red like the last two years.

We will still need Regular **Plaque sponsors the same as years in the past.** We determine how many plaques we give out by the number of sponsors we get.

The 4th Wed. of each month at **Go Chevrolet** I 25 and the Boulder Turnpike in the Chevrolet building on the 2nd. Floor starting at 7:00 sharp.

We are dedicated to the preservation, restoration, rodding, and history of the
62-79 Chevy II and Nova

We are an association of owners and enthusiasts of '62 - '79 Chevy II's and Novas. .

WE have our own **Rocky Chapter Newsletter** which we distribute monthly to our members. Our newsletter informs our members of up coming local area and major car shows and cruises that are scheduled, also nova parts that our members wish to buy or sale, as well as upcoming activities that we have scheduled for our club.

Our club does several fun outings during the year, we try to take mini **Nova Cruises**, as well as one 4-5 day trip per year, and when possible, we take our Novas.

The **RMNC** holds a one day car show, for everyone, not just novas, every year, usually the first Sunday in May, and has put this show on for more than 14 years.
