## RMNC Documentation Books

Dave Kellner Has made up these booklets. They are 5 1/2 x 8 1/2 with the RMNC Emblem on the lower front cover and Nova- Restoration, Modification and Maintenance History on the upper front cover. Inside the front cover is a place for your first picture of your Nova and inside the rear cover is a place for your favorite picture. There is a page for information about the

owner and the Nova they own. Codes that identified the Nova, the drive train, paint, interior, where it was made Etc. If you need help with this, there are several members who can help. Also there are pages to record maintenance done and Modifications made. Dave has spent a lot of time on these. Dan brought up that these could be gave

to new members also. Dan suggested that Dave get paid for the 50 booklets that he has made. A vote was taken and it was a majority vote to pay him for all the materials to make them.

These are great booklets for our club members.

**THANKS DAVE!!!**

## Past Car Shows

Dan gave information on past car Shows.

### Rosies car show,

Kathy said there were over 100 cars there.

**ColoRODans** - Dan had a Club Tent setup, and it was a great show!

### 24<sup>th</sup> Ann. SunFlower Nationals

Dan said this was a neat little show. The cars were parked on the grass in the town square. JT took home at Top Ten Award! **Congrats!**

Members attending were the Ellingers, Paces, Taylors, Bills, and Kathy.

Dan said he would like to see more members attend this show, it was a good one!

### Golden Super Cruise

**This is got to be the place to be, it was said there were 2500 cars!** It was very busy, and the weather was perfect. You had to get there early to get a parking spot. It was a huge log jam.

### Road Knights

### "Blue Light Special"

at the Ranch in Loveland. 650 or so cars attended this show

### UPS Show

This was the show Tom Koehler also worked on since he works for UPS. It was a very sunny hot day. There was about 65 Cars.

Lots of good street rods and street machines, several motorcycles.

I would like thank everyone who supported the show. Thanks!

This could be a very large show, but the people in charge have a lot to learn and organize.

## Car Show Update

Tom missed the meeting and is recovering from back surgery. The main thing we needed to get done was the Artwork. Dan has been working to get the pictures done of the winners. JT's Nova will be the T-Shirt Nova this year. Dan will get

the CD/pictures taken down to **Direct Impressions** so they can get the Artwork done for us. In mid Oct we will have a Car Show Committee Meeting to ok the Artwork.

This will still give us enough time to put something together

for the Rod and Custom Show in Nov.

At the next meeting in Oct. we will discuss the first Flyer( Application) for 2010. This will be the first Car Show Committee meeting for 2010's Car Show.

**Our Meetings**

The 4th Wed. of each month at **Go Chevrolet** I 25 and the Boulder Turnpike in the Chevrolet building on the 2nd. Floor starting at 7:00 sharp.

We are dedicated to the preservation, restoration, rodding, and history of the  
**62-79 Chevy II and Nova**

We are an association of owners and enthusiasts of '62 - '79 Chevy II's and Novas .

The **Rocky Mountain Nova Club** has established a fellowship of Nova enthusiasts in the Rocky Mountain area. Our club is made up of Original ,Restored, Customs, Modified, Daily Drivers, Race , and Novas in process. Ownership of a Chevy II or Nova is not a requirement to belong in the club.

WE have our own **Rocky Chapter Newsletter** which we distribute monthly to our members. Our newsletter informs our members of up coming local area and major car shows and cruises that are scheduled, also nova parts that our members wish to buy or sell, as well as upcoming activities that we have scheduled for our club.

Our club does several fun outings during the year, we try to take mini **Nova Cruises**, as well as one 4-5 day trip per year, and when possible, we take our Novas.

The **RMNC** holds a one day car show, for everyone, not just novas, every year, usually the first Sunday in May, and has put this show on for more than 14 years.
