The 2010 Great Machine Car Show is getting close. May 2nd is the day. The day will start early and end late. Our pre-entry's are up from last year. As of Sat. March the 27th we have 50 pre entry's. Last year at this time we had 28. This is looking good!

The Plaque , Trophies and T-Shirts have been ordered. I should have everything by no later than the 23rd of April.

The Transmission will be ready by April 1st.

Door prizes are starting to come in slowly. We can always use more door prizes.

We will have the next "Car Show Meeting" on the 18th of April. It will be at Perkins again.

Art Work for 2010

Perkins is west of I-25 on 120th Ave on the North side of 120th. Every one is welcome. We can use every ones

ideas. If you have any input or comments about the Car Show this is where we need to address it, not at the Club Meeting.

We have 11 judges at this time. We can make this work but we will need 2 to 4 people from the Nova Club to help.

We get more vendors each week. The cost charged to them help offset the cost of the park.

New Officers Take Over

Kathy (The new President) opened the meeting at 7:00. She thanked Dan for a job well done. Kathy and JT (The new Vice President) had talked about a few things that they would like to see happen. They want to know WHAT YOU the members expect from the club, what do YOU want to do and HOW do we get us there. There will be a suggestion box always

at the meetings for any and all your ideas.

A "Activity Committee" will be set up to plan all activities for the year making a calendar of all the events we will do (Car Shows , Breakfasts, Dinners, Fun events, Cruises etc) Kathy asked Rick Ellinger to be the chairperson for this Committee and a couple more people to take the ideas,

suggestions, and put the plan together. If you are interested PLEASE contact RICK. Ricks # is 303/828-9076

Kathy and J T suggested One meeting during good weather (summer) that we have at a park or some other place other than at Go Chevrolet.

Mystery Cruise

Mystery Cruise

Kathy asked Dave Kellner to talk about the Mystery Cruise .. Dave talked to people at the breakfast but not everyone and this was brought up . Dave said he will get with everyone in the future. The Club has done this cruise in the past but for 3-5 days. Due to the economy two days is being considered. Trying to select a time turned out to be more

complicated than thought. Every time a date was suggested there was something going on that date. Kathy suggested Dave just pick a date and run with it. If you can attend great, If you can't we will do it again. I believe May 15/16 was picked . Dave will let us know.

August Picnic

August Picnic

David Bills said the August Picnic at his place in Frederick will still be there for now, but his house is up for sale and the site of the picnic could change. J T is asking for suggestions for another place for the picnic from mem-

bers just in case this happens. David will let us know.

50/50 Drawing

Kathy and J T have a ' Mystery Box ' with a surprise that will go along with the 50 / 50 drawing . On either drawing the winner will have a choice of the cash, magazine, or the Mystery Box. You will never know what you get. It won't always be great.

50/50 Drawing for March

J T won 1st drawing and took the cash. Mary Ann Pace won the 2nd drawing and took the Mystery Box, which had some Hot Wheel cars and some other toys. The magazine will come back next month.

Antenna Flags

Dick Matthies has been working with Associated Photographers on making antenna pennants. The club voted on what artwork they wanted on the pennants. The club voted on the original logo for the club. Glenn at Associated Photographers has worked over the art work to make it look better on the pennants.

The pennants would mount on the Antenna, or be magnetic, you could mount to the roof and drape down over the windshield or windows. The pennants will be used at events members attend together and for those who display their car or cars at our Car Show. They can even be personalized with a small representation of your car on the pennant. Dick had several different artwork The cost is \$10 to \$15.00 each It was voted that club members who wanted them would have to pay for them. If you have any questions please call Dick or E-Mail him His phone is 303/257-8790 His e-mail is dick@bcer.com

The sample of the art work to the right didn't shrink real well. But it does look great in full size.

The Mead Car Show

The Nova Club will sponsor a Plaque for the Mead Car Show. The Mead show is a great show. Bob Barron has a part in this show. It will be a open show and Limited to 100 vehicles. An Application/Entry is on our website under "2010 Upcoming Shows/Events" section.

Quaker Steak &Lub

A new restaurant is coming to a Suburb near you.. The first of four or five Quaker Steak & Lubes will be at 10392 Reed St. Westminster. just off of Hwy-36 and will open around Oct.

The sign will be a new landmark for drivers traveling on U.S. 36

Every Quaker Steak & Lube includes motorcycles hanging from the ceilings and vintage automobiles. The bikes come from local dealerships and are available for purchase in the restaurant. The cars however are permanent fixtures.

Hot Wings Fast Cars Great Times

Our Meetings

The 4th Wed. of each month at **Go Chevrolet I 25** and the Boulder Turnpike in the Chevrolet building on the 2nd. Floor starting at 7:00 sharp.

We are dedicated to the preservation, restoration, rodding, and history of the
62-79 Chevy II and Nova

We are an association of owners and enthusiasts of '62 - '79 Chevy II's and Novas. .

The Rocky Mountain Nova Club has established a fellowship of Nova enthusiasts in the Rocky Mountain area. Our club is made up of Original, Restored, Customs, Modified, Daily Drivers, Race, and Novas in process. Ownership of a Chevy II or Nova is not a requirement to belong in the club.

WE have our own Rocky Mountain Chapter Newsletter which we distribute monthly to our members. Our Newsletter informs our members of up coming local area and major car shows and cruises that are scheduled, also nova parts that our members wish to buy or sell, as well as upcoming activities that we have scheduled for our club.

Our club does several fun outings during the year, we try to take mini Nova Cruises, as well as one 4-5 day trip per year, and when possible, we take our Novas.

The RMNC holds a one day car show for everyone, not just novas, every year, usually the first Sunday in May, and has put this show on for more than fifteen years.
