Post Car Show Meeting

At the Club meeting we talked about the main things that were talked about at the Car Show Meeting.

One main thing this month was T-Shirts. The people attending the Car Show Meeting felt we needed to get some other possible vendors for the T-Shirts. If you

have some in mind, that's good, but you have to do the foot work. Get prices, Cost on Artwork, Set up fee, and a sample of their work. Remember we want this to be a Silk Screen not a Print or Transfers. We are just checking out what is out there, this does not mean we won't still use Direct Impressions. All Shirt informa-

tion must be discussed at the August Meeting.

The next thing was the DJ for 2011. Van Jeffries will be the 2011 Music DJ.

For all that was discussed at the Car Show Meeting, please go to our web page and read the minutes.

Next Car Show Meeting Will be in August

Activity Committee

Kathy again brought up if anyone wants to volunteer to help Rick Ellinger on the Activity committee. Rick has gotten some suggestions.

Chris Andolsek suggested going to the Boondocks. But need to get more information to Rick.

Dan Pace suggested doing a Photo shoot of the Members Cars to get some Quality pictures of your Cars, and Dan could print out large photos for the members, and maybe going to breakfast before. If anyone has a idea for a good location to take pictures E-mail Rick Ellinger and we can make a dry run to check it out. Rick suggested possible dates of July 10th or the 17th. No date set for sure.

Another suggestion was the Gunnison Car Show—Aug 20th,21st. There's plenty to do, but we need

to think about reservations SOON. Usually we leave on Friday morning . They close off the streets and have a band and Dance Friday night. Sat is the Show & Shine. Sun. is a cruise to Crested Butte for Breakfast. Ten or more cars brings a trophy for club participation.

Another suggestion was members who wanted to find out how fast their cars are, go to Bandimeres on a Test Night.

Kelly Horton brought up about going to a Chassis Dyno to find out what power your Nova is putting out. He said he would get this info to Rick.

A few suggestions, but at this time nothing for sure. Please contact Rick:

Dan will be setting up a Table for Club information on Sunday. Please contact Dan if you are going. prostreet5@hotmail.com

Club Meeting

There has been some talk about having the Club Meeting at a Park one time this summer. If you have any ideas of a Park, let Kathy know. E- Mail NovaKat2@comcast.net Phone 303-548-8058

Nova Flags

Not everyone has got their Flag, and not everyone has paid yet. I believe I heard that Dick hasn't got Jan a current list. Kathy asked if anyone could sew and would volunteer. Some of the Flags have frayed around the edges.

Club Nova for 2011

Each June we draw for the Club Nova that will be on the T-Shirts and all advertising materials for the next year. For 2011 the Club Nova on our Car Show T-Shirts will be Kathy's '63 SS.

Congratulations Kathy!

Havana Cruise

Chris and Paula Andolsek talked about the **Toys for Tots** booth at the Havana Cruise. Paula said they did real well. There were Marines there and they had some 7 Ton Trucks which attracted people. They collected \$240 and the Club had collected \$81 at our show. Comments about increasing the total to \$400 were brought up. We voted on it, and it was unanimous. I believe it was said there was 6 Novas on display also.

50/50 At The Meeting

There is 3 50/50 drawings at each club meeting. The first winner has a choice of any prize . The 2nd has a choice of two and the third gets what's left.

Dan was the first winner, He took the money.

Jim was the 2nd winner and he took the Magazine,

David was the 3rd and he took what was left, the "Mystery Box"

Our Meetings

The 4th Wed. of each month at **Go Chevrolet** I 25 and the Boulder Turnpike in the Chevrolet building on the 2nd. Floor starting at 7:00 sharp.

We are dedicated to the preservation, restoration, rodding, and history of the
62-79 Chevy II and Nova

We are an association of owners and enthusiasts of '62 - '79 Chevy II's and Novas. .

The Rocky Mountain Nova Club has established a fellowship of Nova enthusiasts in the Rocky Mountain area. Our club is made up of Original ,Restored, Customs, Modified, Daily Drivers, Race , and Novas in process. Ownership of a Chevy II or Nova is not a requirement to belong in the club.

WE have our own Rocky Chapter Newsletter which we distribute monthly to our members. Our newsletter informs our members of upcoming local area and major car shows and cruises that are scheduled, also nova parts that our members wish to buy or sell, as well as upcoming activities that we have scheduled for our club.

Our club does several fun outings during the year, we try to take mini Nova Cruises, as well as one 4-5 day trip per year, and when possible, we take our Novas.

The RMNC holds a one day car show, for everyone, not just novas, every year, usually the first Sunday in May, and has put this show on for more than fifteen years.
