Club Information	6

May 2nd, the day of the **Great Machine Car Show** started with cool weather. I arrived at the park at 5:30 am. And Stuck was already there setting up signs. Slowly more Nova people started arriving. I know the next on the scene was Kathy (The Prez) and Tim.

Dan arrived with the tents and the work began. The first car for the show arrived at 5:50 am. At 7:00 am we got hit with a bunch of cars and weren't quite ready, but parking was under way. The show went great about 8:00 am we got a little snow flurries. The wind blew off and on all day. The Judging got started a little late but all the judges got it done by 1:45.

I would like to thank everyone who worked on the car show and all who worked at the park on Sat. and Sun. the day of the show. The tent setters did a great job, Jeff and Tim took care of the vendors. All the parkers did a great job this

year, the more years we are at the park the better we will get. The registration table was ran by Jan and Esther good job ladies. Door prize booth was handled by Dick, John. Stephanie and JT. Great job. Mary Ann handled the coloring table for the kids.

Would like to thank Dan for the use of all his tents and all the work getting them set up.

At last a big thank you to the Judges. Judging becomes a bigger job each year, the more cars we get the harder

it is on the judges.

A big thank you to **Pat Morrison and Kathy Redmond** for handling the counting of the judging sheets Tim also had a hand in setting up the sheets for me at the awards. Awards went great. We rushed thru them real quick because the weather was turning. It snowed on us a little thru the award presentation. Everyone held their cool and stuck it out. As soon as the awards were done the weather broke. The cars quickly started to leave. All seemed to be pleased with the show.

We will have a post Car Show meeting in June to talk about things that we need to improve on for 2011.

A Big Thank You to All

Post Car Show Committee Meeting

This meeting is for us to discuss what happened at the 2010 Great Machine Car Show. Good and bad so we can make it better for 2011.

Each year we are at the park, the easier it will get.

The meeting will be **June the 6th** at Perkins West of I 25 on 120th. The meeting will be at **2:30 pm.** Please bring any and all comments to make the show better.

We had two guests at May's Club Meeting

J T asked the guests to introduce themselves

Ken Frazer

has a 1970 Nova and a 1966 Nova he is finishing up.

Anthony Newton

has a 1970 Nova SS with the L-78 396 with 4 speed. It is hugger orange and is all original and he purchased it in 1983 and has lived in Co 9 years.

RMNC Activities Committee

Rick Ellinger still needs help on the Activities committee

If anyone has any suggestions for future activities, please contact Rick Ellinger at 303/828-9076

Please check the website for June's Club Activities.

T-Shirt Nova

June we will draw for the 2011 T-Shirt Nova

In order to be eligible you must attend the June Meeting .
It doesn't have to be a Show Nova, but it must be presentable and street worthy.

May 15th Erie Car Show

What a great event!! The weather was a little chilly to start but became comfortable as the day went on. There were probably around 40 – 50 cars. 8 of these were RMNC members: Rick and Jan Ellinger, James and Esther Taylor, Rob Sheesley, David Bills, Sheldon Brunn, Ron Van Nattan, and Kathy Burton. We all gathered at the Ellinger's around 7am and headed out at 7:30am. We were later joined by Sharon Bills and John Stucky.

Parked our cars and waited for the pancake breakfast to get going. Once it was up and running the food was good! We received our energy from breakfast and off to walking we went! Tons of vendors –

food: bread, dips, turkey legs (Rick cleaned his to the bone - I think the turkey leg was the only reason he went), crafts, some sales stuff, jewelry, outdoor décor, more food vendors all around the streets of Erie. There were things for the kids and the kids at heart. Thanks to the bank for keeping all of us supplied with ice cream through the day.

I cannot even begin to count how many laps of walking we did – around and around. Each time we went we saw something different and of course snagged another ice cream. Lunch was good – hamburgers and hot dogs supplied from the same people that supplied breakfast. Somehow I think this

was Stucky's first experience with grilled hamburgers and hot dogs he was so excited.

James Taylor took an award for best in class – congratulations James

James Taylor Sweet '63

Hopefully next year we will have more RMNC members. Those of you who did not attend – missed out!

Esther M. Taylor

Jim's Burger Haven Car Show May 22nd

We were there for a while. Rick, Jan, JT, and Esther were there. This was on the same day as Thorntonfest, and some cars came from Thorntonfest. This year there was several Classes & Trophies. This is becoming more of a show instead of a cruise. There was some nice cars there as always. This show was at the Thornton store. On August the 28th will be their next show and it will be at the Sheridan store. It would be nice to see a bunch of Novas at this show. In the past we would hit these Cruises/Shows with no less than 10 Novas. Now we have a hard time getting 5. Oh well time changes. No matter where it is held, it is always a good time.

May 31st Mead Motorheads Memorial Day Car Show

A group of us met at Ross's on 104th at 6:30am and left for Mead at 7:00am. The people meeting at Ross's were:

Kathy with her '63

Steve with His '70

Jim with his '66

JT & Esther with there '63

Tom with his '73

The group hooked up with **David with his '70 and Rick &**

Jan with their '65 on the way to Mead. The show was great. The weather turned out to be great. I didn't hear a car count # but there was at least a 100. Van Jeffries was the DJ and did an out standing job. The show was an open car show with people choice, no classes. The show gave away a lot of door prizes,

every one took one home.

Awards started close to 3:00 and the Nova Club did quite well.

Nova's winning awards were:

Tom's '73

David's '70

Jim's '66

JT & Esther's '63

Our Meetings

The 4th Wed. of each month at **Go Chevrolet** I 25 and the Boulder Turnpike in the Chevrolet building on the 2nd Floor starting at 7:00 sharp.

We are dedicated to the preservation, restoration, rodding, and history of the
62-79 Chevy II and Nova

We are an association of owners and enthusiasts of '62 - '79 Chevy II's and Novas.

The Rocky Mountain Nova Club has established a fellowship of Nova enthusiasts in the Rocky Mountain area. Our club is made up of Original, Restored, Customs, Modified, Daily Drivers, Race, and Novas in process. Ownership of a Chevy II or Nova is not a requirement to belong in the club.

WE have our own Rocky Chapter Newsletter which we distribute monthly to our members. Our newsletter informs our members of up coming local area and major car shows and cruises that are scheduled, also nova parts that our members wish to buy or sell, as well as upcoming activities that we have scheduled for our club.

Our club does several fun outings during the year, we try to take mini Nova Cruises, as well as one 4-5 day trip per year, and when possible, we take our Novas. The RMNC holds a one day car show, for everyone, not just novas, usually the first Sunday in May, and has put this show on for more than 15 years. **Our Website is — www.RockyMountainNovaClub.com**
