Please see the flyer on page 3 for Directions and more

Nov 13th Breakfast Outing and tour of a Candy Factory

We are off to breakfast at Great Scotts. We will meet at 9:00 am at the restaurant. The 50-60's style café is on the north east corner of US 36 (Boulder Turnpike) and Pecos. For dessert we will cruise over to the Hammond's Candy Factory and take their tour. They have been in business since 1920 and make everything from lollipops to chocolates. It is located at 58th & Washington. A head count will be needed so if you want to go on this activity please call Rick or Jan at 303-828-9076 or email at .

Dinner and a Movie at Cinnebar

Chris and Paula talked about the Dinner and a Movie get together at Cinnebar at approx 92nd and Grant. Its a full sized theater. They found it a lot of fun . Dave Kellner felt the food was a bit pricey but surprisingly very good.

December 4th Event provides Sneak Peek into Summer Toys for Tots Events

In 2003, an ongoing community service project entitled “**Christmas Caravan for Kids**” was started. Each year, in conjunction with area vendors and 4-Wheelers throughout Colorado’s Front Range, we sponsor a toy drive and “meet and greet” to benefit the Marine’s Toys for Tots Campaign. 4-Wheelers from around the Front Range meet in pre-determined locations and “caravan” to the event site where the USMC’s MACS 23rd Air Unit from Buckley Air Force Base is waiting to receive the toys donated by participants. For each of our first two events, we were the second largest single day toy donation the Marines received (second only to the Denver Bronco Toy Drive). In 2005, we became the largest single day donation ever received by Denver’s Toys for Tots campaign. Following the toy drive, participants are treated to a “meet and greet” with area vendors which includes a FREE lunch and FREE raffle drawing. Last year our event attracted over 350 vehicles and over 500 participants - and we expect to grow again this year.

2010 Christmas Caravan will be on December 4th, 10 am until 3pm at the Jefferson County Event Center on the fairgrounds at 6th and Indiana. We’re inviting Nova Club members to join us for this year’s Toys for Tots event. Two reasons – first is more toys for the cause and second to check out the format for a possible “Rod and Custom” event next summer. The idea is for a “Toys for Tots” toy (and \$\$ donations) drive sponsored by the Nova Club in conjunction with Cruzin’ Havana, June 19, 2010. We’ve started conversations with Cruzin’ Havana organizers for something like Rocky Mountain Nova Club presents “Cruizin’ for Kids”.

Preliminary ideas have included the possibility of setting up at one of the 5 check points/staging areas of Cruzin’ Havana along with the Marines and do a summer toy and \$\$ donation drive. Perhaps an additional card toward the best poker hand could be given out to everyone who donates a toy.

So, come by on the 5th, see what the 4 wheelers are doing and gather ideas for the Nova Club and the Cruzin Havana event. Questions?? Email—pandolsekpt@comcast.net .

Christmas Party / Dinner

The **Party** , **Dinner** , **White Elephant Gift Exchange** ,
Games and a lot of fun.

Where:: 46th and Clay at the Knights of Columbus Hall
(Clay is 3 blocks east of Federal)

When :: Dec. 5th 2010

Time:: 10:00 am. Pot Luck starting at 12:00 Noon

What to bring:: A place setting for each member of your family, a side dish, a White Elephant gift. Bring a gift for the same sex you are and for each person coming with you (only adults) and only one gift per person.(\$10.00 to \$15.00 limit). Please mark the gifts Male or Female. These items usually come from home, but you can buy something at a store or even make something from scratch. The best white elephant parties have a good mix of gifts: some tacky, some bizarre, and some genuinely useful. When buying a white elephant gift, try to pick an interesting item that falls into one of those three categories. And put some thought into it-- don't just bring yet another bottle of wine, or the DVD du jour. Boring!

(Remember this is a family party so no XX rated gifts) If you have children, bring a gift for your own child with your Childs name on it so Santa can pass them out. (If you have any questions call any officer), You can also donate to Toys for Tots at this Dinner.

Please check on our website for the current Food list. Please e-mail Dan what you are bringing. His e-mail address is prostreet5@hotmail.com so he can get it on the website.

Rod & Custom Show

Club Display 2008

Rick has been in contact with Dan about a space in the Rod & Custom show again this year. We will have a spot that will accommodate us with 4-5 Novas. We would like these cars to be different cars than in the past years.

We will have a table setup for Nova information and always need people to sit at the table. Please contact Rick if you want to put your Nova in the show. The applications all have to be sent in together so please contact Rick ASAP. The club will pay for the entrance for those that wanted to display their cars. This includes entrance for 3 days for the car owner and a parking pass. If you want to have your car judged you will have to pay the extra difference, which is about \$20.00. If you wish to be judged you will still be with the club display.

Ricks E-Mail is ellingerm@aol.com .

News letter and Meeting Minutes

There has been talk about getting the News letter E-Mailed to you with it still being placed on the website. **All members will start getting the news letter E-Mailed to them**, plus it will still be on the website for all to see and print copies of there.

The Club Meeting Minutes from the meeting will only be E-mailed to members and not placed on the website. If you want information on the treasure report you will have to attend the meeting or call Jan (the Treasure.). This will never be on the website.

I (the editor) will be mailing out a paper copy of the news letter to those who would like to have it mailed. Let Tom know and he will send you one.

Great Machine Car Show

Its not to early to start thinking about Major sponsors for the show. To get there information on all advertising flyers and window posters we will need to try and have them in by Late Jan or early Feb. We have several sponsors that are sponsoring again this year. SSR law will be the sponsor for the BEST OF SHOW again this year. All sponsors are very important to us as a club. In the past any major sponsor has got the advertising plus 2 T-Shirts and one plaque in there name. They also get a full page advertise in the sponsor book. I have samples of last years sponsor books you can use as a saleing aid. Let me know if you would like one.

New for 2011 there will be a NSRA inspector on site to do Voluntary safety inspections of the vehicles. They will inspect any year. Along with a sticker for your window you will receive a free hat pin.

At the Nov. Club Meeting there will be new sponsors sheets and vendor applications for you to have.

We will have Calendars again this year. Dan has placed the order. The calendars are for all sponsors, club members, and any one interested in joining the club. They will be here for the Rod & Custom Show.

Monthly 50/50 Drawing

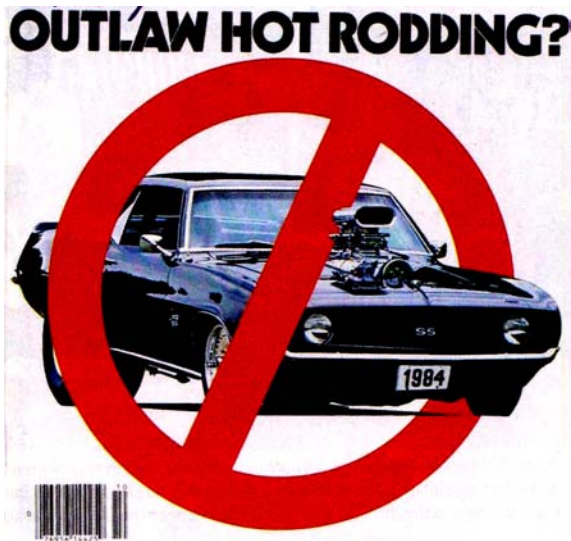

Each month at the meeting we have a 50/50 drawing, with three changes to win something. We have the Money, A Mystery Box , and the Classic Chevy Magazine. Also at larger events of the clubs like the Christmas Party/ Dinner, we have a 50/50 drawing, but all the money taken in is given back to two lucky winners, this happens 3 times a year

At the meeting on the 27th of Oct the winners were

Mike Doran won 1st drawing and took the Mystery Box

J T won the 2nd drawing and took the Money

Jim Van Covern won the 3rd and got the Classic Chevy Magazine

Can they Outlaw Hot Rodding ?

Back in 1984 it was a big deal and it is a bigger deal now. We may not want to admit it, but hot rodding has a long history of running afoul of the law. Making a car go faster or radically altering its appearance just doesn't set well with **The Man**.

For the most part hot rodding– and general tinkering around with cars, be they be rods, customs, sports cars or 4x4 it has become a family friendly hobby.

Discounts and Special deals

Scott said that when Chevy II comes out with a sale the larger amount of money that you spend the larger the discount. He suggested that, If everyone got together and put their orders together the amount would be larger and the discounts would be more. Some times even shipping is free if you spend a center amount. Sounds good to me. Maybe if you are getting ready to order something send a E-Mail out and see if any one is interested in ordering also. This is a win win deal. It can help everyone.

Bob and Nancy Baron

For those who don't know Nancy has been dealing with Cancer for Three years . They decided to move back to the Naperville area in Illinois. This is where they grew up , married and raised their children and where their lifelong friends are. At the time of the meeting Oct 27, 2010 she would have been boarding an Amtrak train with her son in Denver for Illinois. Bob was planning on leaving the morning of the 28th. with a loaded U-Haul. They wanted everyone in the club to know they will miss us dearly and thoroughly enjoyed the club and the people. They will keep in touch.

Our Meetings

The 4th Wed. of each month at **Go Chevrolet** I-25 and the Boulder Turnpike in the GO Chevrolet building on the 2nd. Floor. Meeting starts at **7:00 sharp.**

We are dedicated to the preservation, restoration, rodding, and history of the
62-79 Chevy II and Nova

We are an association of owners and enthusiasts of '62 - '79 Chevy II's and Novas. .

The Rocky Mountain Nova Club has established a fellowship of Nova enthusiasts in the Rocky Mountain area. Our club is made up of Original, Restored, Customs, Modified, Daily Drivers, Race, and Novas in process. Ownership of a Chevy II or Nova is not a requirement to belong in the club.

WE have our own Rocky Mountain Chapter Newsletter which we distributed monthly to our members. Our newsletter informs our members of upcoming local area and major car shows and cruises that are scheduled, also Nova parts that our members wish to buy or sell, as well as Upcoming Activities that we have scheduled for our club.

Our club does several fun outings during the year. We try to take mini Nova Cruises, as well as one 4-5 day trip per year, and when possible we take our Novas.

The RMNC holds a one day Car Show every year, it is for everyone, not just Novas. It is held usually the first Sunday in May, and we have put this Car Show on for more than fifteen years now.

This would be a good place to insert a short paragraph about your organization. It might include the purpose of the organization, its mission, founding date, and a brief history.

You could also include a brief list of the types of products, services, or programs your organization offers, the geographic area covered (for example, western U.S. or European markets), and a profile of the types of customers or members served.

It would also be useful to include a contact name for readers who want more information about the organization.

Back Page Story Headline

This story can fit 175-225 words.

If your newsletter is folded and mailed, this story will appear on the back. So, it's a good idea to make it easy to read at a glance.

A question and answer session is a good way to quickly capture the attention of readers. You can either compile questions that you've received since the last edition or you can summarize some generic questions that are frequently asked about your organization.

A listing of names and titles of managers in your organization is a good way to give your newsletter a personal touch. If your organization is

small, you may want to list the names of all employees.

If you have any prices of

**CAPTION DESCRIBING PICTURE
OR GRAPHIC.**

standard products or services, you can include a listing of those here. You may want to refer your readers to

any other forms of communication that you've created for your organization.

You can also use this space to remind readers to mark their calendars for a regular event, such as a breakfast meeting for vendors every third Tuesday of the month, or a biannual charity auction.

If space is available, this is a good place to insert a clip art image or some other graphic.
