It is always fun to talk with other car people, even if its not about *Novas*. We all have the same interest, cars.

The club had a table set up with information about the club. A lot of club people help set up the table for the three days. For the people that had there cars entered in the show, it was a very long week-end. There were 4 *Novas* entered. None of these were entered to be Judged. The *Novas* were, David Bills, Rick Ellinger, Dan Pace, and Ken Frazier .

### CHRISTMAS PARTY/ DINNER 2010

The annual Nova Christmas party was a good one again. There was plenty of food , but the turkey ran out pretty fast. Everyone had a good visit with friends and the gift exchange was great. Santa did appear and the children enjoyed him.

We had a good turn out . I believe only two novas were driven. Kathy with her 63ss and Rick & Jan with there 73.

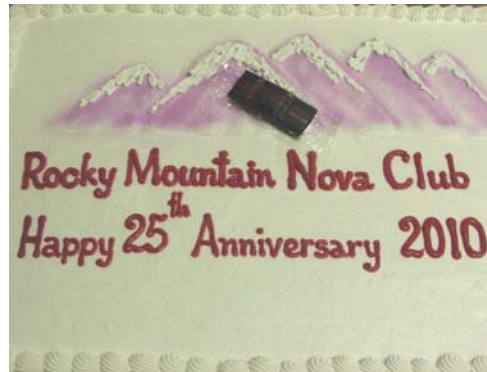

If you didn't get a chance to attend this year you need to be sure and be here next year.

### **Our Meetings**

The 4th Wed. of each month at **Go Chevrolet** I 25 and the Boulder Turnpike in the Chevrolet building on the 2nd. Floor starting at 7:00 sharp.

We are dedicated to the preservation, restoration, rodding, and history of the 62-79 Chevy II and Nova

We are an association of owners and enthusiasts of '62 - '79 Chevy II's and Novas. .

The Rocky Mountain Nova Club has established a fellowship of Nova enthusiasts in the Rocky Mountain area. Our club is made up of Original ,Restored, Customs, Modified, Daily Drivers, Race , and Novas in process. Ownership of a Chevy II or Nova is not a requirement to belong in the club.

WE have our own Rocky Chapter Newsletter which we distribute monthly to our members. Our newsletter informs our members of up coming local area and major car shows and cruises that are scheduled, also nova parts that our members wish to buy or sale, as well as upcoming activities that we have scheduled for our club.

Our club does several fun outings during the year, we try to take mini Nova Cruises, as well as one 4-5 day trip per year, and when possible we take our Novas.

The RMNC holds a one day car show, for everyone, not just novas, every year, usually the first Sunday in May, and has put this show on for more than 15 years.
