ON THE COVER

Earl's Nova has remained a Schneider family car since his father bought it new in 1970 - Earl is the 4th family member to own this car! Besides spending time on his beautiful 1970 Nova, Earl divides his time among his other hobbies like playing in a band and snow boarding!

GREAT MACHINE CAR SHOW 2011

The 2011 Great Machine Car Show was another great time. The workers arrived around 6:30am. Some people trying to beat Stucky there but we are beginning to think if that's going to happen you will have to sleep there. Stuck is always first on the seen putting up signs to direct people to the show and parking. People work hard getting tents set up before the first show cars arrived. Associated Photographic showed up early to be ready for the first cars. On Sat. before the show when we met at the park the photographers were there to decide the best way to take pictures and not interfere with parking. It did

go very well. By 9:00am most vendors were set up and ready for business. Van showed up and got set up for a day of tunes. Registration went well with not much confusion. This was the first year for Esther and Lisa by their selves and they done great. David Bills and Betty Ann took over Pre Reg. which freed up Esther and Lisa a little. Great job to all the people who helped with Reg. Things were ready for Tom for the judges at 10:15. Judging started at 10:30. In most cases things went real well, just a few cars they had a hard time finding. All judging got in on time and Pat had everything ready

for awards by 3:00pm. Awards went good with only a few mix ups and forgot to mention the sponsors name with each award. But next year we will take care of that. Awards were over about 4:00 and the 50/50 was done and cars started to leave. Stucky took pictures of the best of show winners and we were going to get a group picture of all the winners but I don't know if that happened or not. But all in all it was a great day, a little cool but no wet stuff or hard rain drops. (hail) The clean up started and went well. The last two people on the scene were Scott and Stuck.

GREAT MACHINE CAR SHOW 2012

At the May Club Meeting the main thing about the 2012 show was if there was going to be a show or not. There has been talk about a swap meet in stead of or with the show. A vote was taken and again for 2012 the Great Machine Car show will remain the same, with out a swap meet again. There was discussion the Nova for the T-Shirts for 2012. Ron had a good idea

about putting on a '62 nova because this is the 50th year for Chevy II and Nova. But it was decided because we started with drawing for the T-Shirt nova it would stay the same with the exception of a patch each year from now on with the 50th year Nova on the upper shoulder of the shirt. More of this will be discuss at the next car show committee

meeting. The 2012 T- Shirt nova was drawn and Tom and Betty Ann's 73 SS will be the 2012 T-Shirt Nova.

Tom will get pictures to Kathy ASAP so she can get them to Jetter so we can get the art work a little earlier this year so if we need changes we will have time to make them before Nov.

MAY OUTING

May outing, Lunch at Quaker Steak & Lube. We only had 16 brave Nova members show up and only 1 wet Nova! I think we all had a great time, the food was good and the place is fun just to walk around and stare at the ceiling. Of course we did sit below a Corvette from Looking Glass, we figured we should have a Nova someplace in there as well.

Our Meetings

The 4th Wed. of each month at **Go Chevrolet** I 25 and the Boulder Turnpike in the Chevrolet building on the 2nd. Floor starting at 7:00 sharp.

We are dedicated to the preservation, restoration, rodding, and history of the 62-79 Chevy II and Nova

We are an association of owners and enthusiasts of '62 - '79 Chevy II's and Novas. .

The Rocky Mountain Nova Club has established a fellowship of Nova enthusiasts in the Rocky Mountain area. Our club is made up of Original ,Restored, Customs, Modified, Daily Drivers, Race , and Novas in process. Ownership of a Chevy II or Nova is not a requirement to belong in the club.

WE have our own Rocky Chapter Newsletter which we distribute monthly to our members. Our newsletter informs our members of up coming local area and major car shows and cruises that are scheduled, also nova parts that our members wish to buy or sale, as well as upcoming activities that we have scheduled for our club.

Our club does several fun outings during the year, we try to take mini Nova Cruises, as well as one 4-5 day trip per year, and when possible, we take our Novas.

The RMNC holds a one day car show, for everyone, not just novas, every year, usually the first Sunday in May, and has put this show on for more than 16 years.
