We once again had a Club display at the Rod & Custom show. A special thanks goes to Dan Pace for setting this up for us. We had 4 novas in the show.

For some reason we had a hard time finding 4 Novas out of 44 members to enter their Novas.

I think 2012 we need to work on the Novas for this show a little earlier. A more span of years would be nice but I thank these 4 Nova

people for supporting the club again this year.

I was unable to attend this show as planned but I was told the Club display looked good.

I thank all the people who jumped in and helped out with setting the display. I don't know who you people are but I thank you all for the help.

Rocky Mountain Nova Christmas Party / Dinner

Dear Diary,

It's time for the annual Nova Holiday party again. We managed to get a great list of foods that people are going to bring, so it's going to be a great party. Stucky and I are the 1st ones there and get the place put together and the heat turned on for everyone. The Knights of Columbus managed to get new tables and chairs this year, the tables were much easier to put up and the chairs were very comfortable. Around 10am, people started to show up with lots of food and presents in their hands. The Brunn's, Gasiorowski's, Horton's, Stephanie Johnson, Matthies, Stucky, Van Coevern's, Scott, Kathy, Rick & Donna, Murphay's & new members

the Brazee's were all here. What a great day this is going to be.

Then, it's time to eat, everyone lined up, decisions, decisions, so many choices. The green bean dish had lots of raves, there was corn, a snowman cake homemade beer bread, & so much more all the food looked and tasted great. We have some great cooks in the club. Way to go Nova Club!

After we ate, we did the white elephant gift exchange. And of course there was a visit from a special guest, SANTA. He handed out gifts to the kids and had time for pictures with the kids as well. Thanks Santa. There were lots of great gifts and several made it around the room 3 times. For new member, Linda Brazee, thought she

was being picked on, just about every gift she picked was taken away from her. With all the gifts given out, guess it's time to pack up and clean up. Everyone pitched in and helped. We managed to get out of there before 3pm, that's a first for us. I'm sorry that so many people missed the party this year, it was a wonderday day, the weather was great and we all had a good time getting to chat and eat, what the club does best!

I'm wishing all of you a great Holiday and a safe one.

Til next time

Summer Time

Summer time is on its way, sooner or later. At any rate we need to start thinking about Nova outings. The club went to a few shows last year, but to get our name out there we need to do more. We need to do some short day trips just for fun. I know the clubs favorite thing is eating, but there is more to do than just eat. Don't get me wrong, we can still eat, just add a little more to it. I know no one likes it

when you say the "The Old Days", but it was great fun when 10 to 15 Novas cruised to different places together. We got a lot of thumps up on the High ways. We are a car club so we do need to do things with the Novas when ever possible.
